File

Please add the ship lengths you would like to play with. If you want multiple ships of the same length add the length multiple times.

Enter the size board you would like to play with.

```
[                              ]
[                         |ANN|]
[                              ]
```
